FORKLIFT PANEL CAB ENCLOSURE

The TuffCab Panel Cab Enclosure comes complete with windshields, roofs and rear panels that can be purchased and installed individually or in sets. They are simple, easy to install and cost-effective. TuffCabs are made of durable heavy gauge steel and tempered safety glass construction. Windshields include a 12-volt wiper. They offer excellent visibility with a large roof view and rear window panel for backup protection.

TuffCab Features:

- Full Enclosures or Individual Components
- Affordable
- Durable Steel & Safety Glass Construction
- Easy Clamp-On Installation
- Fast Lead Times
- Windshield Includes 12V Wiper
- Vinyl Curtains
